AnDREW HARPER’S HIDEAWAY REPORT

June, 2015

Rohet

Having rented our jeep to Abdul, we turned south, and, after about an hour, came to the village of Rohet. Having pulled off the paved road, our driver continued along a dirt track that passed through a thinly forested area.

Although it has a timeless appearance, Rohet is a modern and comfortable oasis in the desert. Comfortable, yet well-placed near the main attractions, it is a remarkable place to stay.
