**The GQ Diary**

**Day 1**

7.30 am<br>
FMS, Chopra brothers (brothers), we served at the three-dish breakfast and morning tea at the hotel. The morning was spent with the royal family, who were in the hotel to celebrate the 50th anniversary of their marriage. The family was dressed in traditional Indian attire and enjoyed a feast of fresh fruits, sugarcane juice, and traditional Indian dishes.

**Day 2**

8.00 am<br>
We initialized the desert exploration range of experience. The journey was challenging, requiring precise navigation and a deep understanding of the desert’s terrain. The family and the royal team were equipped with all necessary safety gear and were instructed on the importance of water and hydration. The journey was a test of endurance and teamwork, as the family navigated through the sandy dunes, ensuring safety at all times.
