PITCH PERFECT
INDIA UNDER CANVAS

India’s tented camps provide a chance to enjoy nature up close. But there’s no need to think of them as anything less than luxurious. James Higgins Williams steps right into the tent.

India is a land of cobra and crocodile, of snake charmers and palanquins. It is a land of the bazaar and the bungalow, of the elephant and the tiger, of the temple and the palace. It is a land of contrasts, a land of extremes. It is a land of mystery, a land of wonder.

The camps are set up in the midst of the desert, on the edge of the Thar Desert. The tents are set up on the edge of the desert, on the edge of the Thar Desert.
